

HIDALGO INDEPENDENT SCHOOL DISTRICT
ELECTRONIC COMMUNICATION AND DATA MANAGEMENT

CQ
(EXHIBIT)

EXHIBIT A

Date: _____

Dear Parents:

Your child had been selected to participate in the District's electronic communications system and need your permission to do so. Your child will be able to communicate with other schools, colleges, organizations, and individuals around the world through Internet and other electronic information systems/networks.

The Internet is a network of networks. Through the District's electronic communications system, your child will have access to hundreds of databases, libraries, and computer services around the world.

With this educational opportunity also comes responsibility. It is important that you and your child read the enclosed District policy, administrative regulations, and agreement form and discuss these requirements together. Inappropriate system use will result in the loss of privilege to use this educational tool.

Please note that the Internet is an association of diverse communication and information networks. It is possible that your child may run across areas of adult content and some material you might find objectionable. While the District will take reasonable steps to preclude access to such material and does not encourage such access, it is not possible for us to absolutely prevent such access. If you have any questions please call me at 956-843-3160

Please return attached agreement form indicating your permission or denial of permission for your child to participate in the District's electronic communications system.

Sincerely,

Principal
